

COALITION BUILDING BLOCKS – HOW TO JOIN FORCES IN A FAST-PACED ENVIRONMENT

**KIMBERLY S. GLASSMAN, PHD, RN, NEA-BC, FAAN
FOR
THE NEW YORK NURSING ALLIANCE**

What is a coalition?

- The term "**coalition**" is the denotation for a group formed when two or more persons, factions, states, political parties, militaries etc. agree to work together temporarily in a partnership to achieve a common goal.

What is an alliance?

- An **"alliance"** is a relationship among people, groups, or states that have joined together for mutual benefit or to achieve some common purpose, whether or not explicit agreement has been worked out among them.

New York Nursing Alliance

- *ANA-New York*
- *Center for Nursing (added in 2017)*
- *Coalition to Advance Nursing Education*
- *Council of Associate Degree Nursing Programs in NYS*
- *New York Organization of Nurse Executives and Leaders,*
- *New York Council of Deans and Directors of Baccalaureate and Higher Education Programs*

Aims

- **The New York Nursing Alliance (NYNA) is an alliance of autonomous nursing organizations each focused on leadership for education, practice and research. While each organization has its own constituent membership and unique mission, they are united by common values and convene regularly for the purpose of dialogue and consensus building, to provide stewardship within the profession of nursing and present a unified platform on current educational, regulatory and practice issues affecting nurses, nursing practice and the health care system in New York.**
- **These organizations represent nurses in practice, nurse leaders and nurse educators. The alliance's diverse interests encompass the nursing work environment, health care legislation and policy, quality of health care, nursing education, practice, research and leadership across all segments of the healthcare delivery system. Emphasis is focused on the creation of collaborative and effective academic/practice partnerships and innovative educational models for efficient and effective nursing workforce development across the State.**

NYNA Steering Committee

- **D. Elliott (Center for Nursing)**
- **K. Glassman (NYONEL)**
- **L. Mancuso (ANA-NY)**
- **G. McDuffie (Council of Associate Degree Programs in NY State)**
- **B. Nettleton (Council of Deans of Baccalaureate and Higher Education)**
- **M. L. Pollard (NYONEL)**
- **S. Read (ANA-NY)**
- **B. Zittel (CANE)**

Academic – Practice Partnerships

- Ensure clinical placements for all nursing students in all programs
- Stop “pay-to-play” clinical placements
- Transition to practice programs and nurse residency programs and funding support
- Build the faculty pipeline

Scope of Practice and New Roles

- **Advanced Home Health Aide legislation and concerns around training and supervision**
- **Community paramedics (through DSRIP) and appropriate supervision**

Future Directions

- Support the ongoing need to ensure the NYSAC work is sustained into the future
- Work with regulatory agencies to support new sites for nursing student clinical placements (i.e. ambulatory care) as reductions in acute care beds shift care to the community
