Dear Sponsor,

We are especially pleased to extend an invitation to join us as a sponsor at the second annual virtual **“Journey to Health Equity: Creating a Diverse Nursing Workforce”** scheduled for **Thursday, January 25, 2024, 6 pm – 9 pm**.

It is because of your ongoing support and partnership with our organizations that we have continued to grow and thrive.

This event will provide a forum to promote the profession of nursing in communities of color in order to minimize the long-standing barriers that disproportionately impact students in these demographic groups.

This is in alignment with the priorities of Deborah Stamps Consulting and the Future of Nursing New York State Action Coalition (NYSAC) in addressing recommendations in the National Academy of Medicine’s 2020 – 20303 Future of Nursing report.

We urge you not to miss this opportunity to position your organization in the midst of registered professional nurses who may provide you with an opportunity to reach your target audience. Should you have additional questions please contact me at deborah@deborahstampsconsulting.com or (585)414-6622.

With your sponsorship of \$300.00, your organization can interface with the professional nurses and student nurses that attend our conference. We look forward to you being a part of the **virtual “Journey to Health Equity: Creating a Diverse Nursing Workforce”** scheduled for **Thursday, January 25, 2024, 6 pm – 9 pm**.

The benefits of your sponsorship are:

- Name on the website for one year
- Company name published on conference materials
- Attend the virtual professional networking session on **January 25, 2024, 5pm – 6pm**, and meet attendees.
- Live recognition during the conference

We are thrilled you will consider joining us for this event, which will provide a forum for future and current nurses to network with colleagues and organizations.

Please RSVP by January 15, 2024, to deborah@denorahstampsconsulting.com
